

Speeches In total 1994-2013 125 Speeches

Auswahl

Date of event/VNR	Location/title of event/remarks	Remarks	Topic
09. - 10.10.1998	Dortmund Clinical aspects of Factor XIII-deficiency	Lector	Role of F XIII in Wound- and Bone-healing Problems
26.03.1999	Berlin 1. Neurosurgeons Days at the UKB	Lector	Value of anterior segmentspondylodesis for severe degeneration of the cervical spine
10.04.1999	Bad Wilsnack Clinical forum	Lector	Surgical solutions for spinal disorders
27.08. - 01.09.2000	Berlin World Spine 1	Lector/Co-author	1. Comparative Results between Conventional and Computer-Assisted Pedicle Screw Insertion 2. <i>Neuro-Navigation of Spondylolisthesis: Principles, Features and Results</i> 3. <i>Hardware Failure in Transpedicular Stabilization o the Spine - Analysis of 531 Cases</i> 4. <i>Perioperative Risks and Complications in the Management of severe Cases of Spondylodiscitis</i> 5. <i>The Right Operating Procedure for Metastatic Destructions of Spinal Column</i> 6. <i>Complications after Transpedicular Stabilization - Strategies for Revision</i>
Sep 00	Paris 2nd International Course of Computer Assisted Orthopedic Surgery	Lector	Comparative Results between Conventional and Computer-Assisted Pedicle Screw Insertion
02.12.2000	Berlin 2. Schmerztag der Charité		Surgical therapy for back pain
02.12.2000	Birkenwerder 7. Orthopedic Symposium	Lector	Navigation in spine surgery

13.-15.09.2001	Kyoto 8th Annual Meeting of JPSSTSS	Lector	1. Degenerative Conditions in the Lumbar Spine 2. Failed Back Surgery Syndrome 3. Experiences, Indications and Results in Cases of Failed Primary Instrumented Fusions in Spine Surgery 4. Hands-on Session "State of the Art Lumbar Fixation" Special Lecture " State of the Art Lumbar Fixation"	5.
27.09.2001	Hoyerswerda Contemporary concepts in spinal surgery	Lector	Stenosis of the cervical and lumbar spinal channel	
11. - 13.10.2001	Kleinmachnow 5. Medical further education congress	Lector	Surgical treatment strategies for lumbar spinal stenosis	
14.11.2001	Burg/SA Injuries of the spinal column	Lector	Surgical basics for treatment of spinal injuries	
26.11.2001	Halle Use of coagulation factor XIII in the treatment of wound healing problems	Lector	Role of F XIII in Wound- and Bone-healing Problems	
25.05.2002	Potsdam Further education forum current medicine	Lector	Back pain - a challenge in everyday clinic	
27.06.-28.06.2002	Boppard European Spine Seminar- Treatment of Lumbar Degenerative Conditions	Lector, international event	1. Pedicle Screw Fixation - State of the Art Preliminary Experiences with SynCage-LR	2.
20.03.2003	Teltow Orthopedic spring forum	Lector	Renaissance of the Charité spinal prosthesis - indication and postoperative results	
26. -27.11.2004	Marl 1. Wallis-User meeting	Lector	How to treat - Introduction of casuistries and panel discussion	
27.08.2005	Potsdam Regional pain centre DGS	Lector	Surgical therapy for chronic back pain	
20.10.2005	Berlin Symposium navigated discprosthetics	Lector	Navigated disc prosthetics - Necessity or luxury?	

13.05.2006	Bad Gandersheim Symposium "25 years joint surgery and endoprosthesis"	Lector	Development and history of disc prosthetics
21. - 22.09.2006	Frankfurt am Main Non-Fusion technology for the spine	Lector	Preventable failures and perspectives of disc prosthetics
04.10.2006	Berlin Workshop spine as part of the DGOOC	scientific principal and lector	How much physiology does a disc prosthesis need?
11.01.-12.01.2007	Lissabon, Portugal Maverick User Meeting	Lector	Multi and Double Levels: Do They Still Have a Place in DDD Treatment?
25.01.-27.01.2007	Arosa, Switzerland Forum spine surgery	Lector	Concepts, Realities and Visions in Spinal Surgery
26.09.2007	Bremen Specialist dialogue-Advantages and disadvantages of lumbar disc prosthetics	Lector	Sense and nonsense of disc prosthetics - Euphoria and disenchantment after 1500 lumbar implantations
24.10.2007	Berlin Workshop Spine as part of the DGOOC	scientific principal and lector	Does the quality of movement play a role in disc prosthetics?
14.11.2007	Stade Symposium spinal disorders	Lector	Sense and nonsense of disc prosthetics - Euphoria and disenchantment after 1500 lumbar implantations
12.03.2008	Al Khobar, KSA Symposium "State of the Art of Spine Surgery"	Lector	The Sense of ADR?
09.04.2008	Groß Ziethen Symposium	Lector	Complications in disc prosthesis surgeries
31.05.2008	Potsdam Chronic back pain-Attempt at an overview of diagnostics and therapy	scientific principal and lector	Chronic back pain from an orthopedic-neurosurgical view - Weighting of conservative and surgical measures
08.10.2008	Hamburg Symposium "Prolapsed discs - diagnostics and therapy."	Lector	Indications for disc endoprosthesis - Euphoria and disenchantment after 1500 lumbar implantations

15.10.2008	Al Khobar, KSA		Lector	The Sense of ADR?
19.06.2009	Hamburg	User	Lector	1. Data collection - effort and benefit in non-university surroundings 2. Case presentations: hybrid solutions and pitfalls
23.09.2009	Hoyerswerda		Lector	Surgical possibilities for spinal canal stenosis
11.12.2009	München		Lector	Clinical requirements for a physiological disc prosthesis
27.11.2010	Blankenfelde-Mahlow		scientific principal and lector	If surgery is inevitable - which procedure has which prognosis?
16. - 17.09.2011	Stenum		Lector	Possibilities and limitations of motion preserving surgery techniques on the spine
19.10.2011	Mailand		Lector	M6 Lumbar Disc: Clinical and Radiographic Outcomes from a Single-Site Study
08.12.2011	Hamburg Lunchworkshop		scientific principal and lector	M6-L 2-annual results of the Multicenter study
20.03.2012	Barcelona		Lector	1. M6-L Lumbar Prosthesis: Single Site Clinical Update through 24 Months 2. Revision Strategies Lumbar
28.05. - 01.06.2012	Amsterdam		lector	M6 Lumbar Disc: 2 year Clinical and Radiographic Outcomes
16. - 17.11.2012	Sidney		Lector	1. The Evolution of Artificial Disc Devices - A Clinical View 2. The Rationale for Artificial Disc Replacement 3. Single and Multilevel Lumbar ADR - Pitfalls, Complications and Revision Strategies 4. Cervical Disc Replacement - An Expansive Way of Fusing? 5. "What Would You Do?" Case study presentations from the floor and faculty
06. - 08.12.2012	Stuttgart		Lector	1. M6-L: Update 2 annual results of the multicenter study 2. Management of complications in lumbar disc endoprosthesis
16.03.2013	Teltow		Lector	Possibilities and limitations of motion preserving surgery techniques using the example of disc endoprosthesis

02.04. - 05.04.2013	Vancouver ISASS 13 Annual Conference	Lector	Results from a Multi-center Post-market Registry of the M6 [®] -L Artificial Lumbar Disc	
07.12.2013	Birkenwerder 19. Orthopedic Symposium	Lector	Discprosthetics - Simply sexy or meaningful therapy?	
21.03.2014	Barcelona 2nd International Symposium for Cervical and Lumbar Arthroplasty	Lector	1. Cervical TDR for Advanced Degeneration and Myelopathy Multilevel Lumbar/Hybrid Surgeries What to do when Lumbar TDR Fails	2. 3.
